Operations Management, 10th edition | Jay Heizer, Barry ...  
A broad, practical introduction to operations, reinforced with an extensive collection of practice problems. Operations Management presents a broad introduction to the field of operations in a realistic and practical manner, while offering the largest and most diverse collection of problems on the market. The problems found in this text also contain ample support—found in the book's solved-problems, worked examples, and myomlab, Pearson's new online homework and tutorial system—to ...
